

Team Manager

REPORT TO COACHING COORDINATOR

POSITION DESCRIPTION:

This position is the team lead in charge of team players, assistant coaches, and all communications between the League and parents regarding schedules, changes, rainouts, and CALL events.

QUALIFICATIONS:

As a manager or coach, you have more interaction with the players than anyone else in Little League. Therefore, it is important that you understand the goals and virtues of the Little League program to effectively communicate them to your players. Being a manager or coach requires time, patience, and basic knowledge of the game of baseball.

RESPONSIBILITIES:

Managers instruct players in proper baseball skills, produce player lineups, and provide overall player support and encouragement. Managers also help secure team parent, team scorekeeper and field maintenance persons (when applicable). Managers must also work with our Leagues Fundraising Director to attain a Team Sponsor for the season. Managers are subject to board approval and are not guaranteed a coaching position from year to year. This position also requires attendance at Manager meetings and possible instructional sessions/coaching clinics.
